### **DETAILED ACTION**

The following is an examiner's statement of reasons for allowance:

The agreed upon definition for address binding is as provided by the applicant (Appeal Brief 01/09/06 page 5). The definition provided is "to make an association between two or more programming objects or value items for some scope of time and place." While using this definition the reference Ray teaches a DHCP server that does not correspond to the claimed NABR.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
